FROM THE PRESIDENT'S DESK

Hello Quilty Friends,

Here's the deal. We will be meeting on July 11th at All Saints Episcopal Church located at 525 Lake Concord Rd NE in Concord in the Parish Hall. When you walk into the lobby area, the Parish Hall is on the far right. Sylvia Stancil will be talking about collage quilting, and we will be finalizing the order for the picnic in August. Sylvia will also be doing our workshop at All Saints the following day. I hope you all enjoy what we have planned for July and August.

I am sorry to miss all the fun, but I will be out of country for the months of July and August. My son and I will be in Spain doing a 500-mile hike in Spain on the Camino de Santiago. I will be sharing moments from my journey Facebook if you are interested in following me. If we aren't friends already you can find me in the guild's Facebook group and do a friend request.

If the 4th of July wasn't enough celebration for you, I found another day for us to celebrate. July 14th is National Tape Measure Day! I am not making this stuff up. Check it out: <https://nationaltoday.com/national-tape-measure-day/>. Sew go measure something!

See you in September,
Jackie Sabo

RAFFLE QUILT

The raffle quilt was set up at The Depot at Gibson Mills on Saturday, May 28th, (race weekend in Charlotte). Ticket sales were \$301 from both the sales of tickets to Depot visitors and some guild members. We give a huge shout out of thanks to member Mary Shea who purchased \$100 in tickets! Thank you, Mary, for your generosity in support of our guild!! As always, we give thanks to our awesome volunteers who worked that event with me: Terry Patterson, Connie and Tom Richardson, Johanna Hysell and her friend, Dennise Hunter and Lorna Dore.

We plan to set up the raffle quilt at We're So Creative on Bag Day, Saturday, July 30th to sell tickets. Terry Patterson will be coordinating that event and looking for volunteers. She will have a sign up sheet at the July meeting. Thanks in advance for your support! Although we are not setting up the raffle quilt to sell tickets at the June Pineapple Sale, we are planning to set up at the Fall Sale sometime in November. That date has not been set yet.

COMMUNITY OUTREACH PROGRAM

We just sent 102 bears and 12 quilts to Victory Junction. This is a picture of Cathy Davis from Victory Junction transferring them to her car. She was delighted.

We also sent 10 quilts to Hospice this month. Sharon Reese from the foster program thanked us for the 10 quilts we sent and has requested 5 more. She wants to match them up with pajamas which I think is an excellent idea. We will resume CCM donations next month. The director did say they were going to people settling into their "Grandfather House" right now. I want to give a special thanks to Barbara Horne-Stead. She donated 5 big quilts she completed herself, took over 10 tops to bind from the last meeting and had completed several other bindings from the month before. And kudos to Melba who keeps Tom busy with tops to quilt. It is a wonderful way to fill these hot days. Thanks to all of you for your help in this program. Every quilt is special and has its own story.

We just finished the QAYG (quilt-as-you-go) with Cathey Hooper and it was an excellent program. It is a workshop that Tom and I will work on together to complete a charity quilt. I have always enjoyed batiks and have a collection of at least 20 years of scraps that is being used for this. Thanks, Cathey for your clear directions and patience. All in attendance felt this was worthwhile.

The next Fire Station #9 event will be July 15th. This will be the third Friday instead of the usual second Friday of the month. The time is from 9 until 3. Mary Shea donated so many delightful children's prints and gave me directions to do "I Spy" quilts for children. I also have many scraps left over from doing the bears so these will be put to good use also. This is an event that you can come and be useful even if you

don't want to bring your machine. We will make kits with 3" squares that can be taken home and put together later. So with or without a machine, there will be plenty to do. If you want to just cut out, plan to bring your own cutter and a small cutting mat if you have one. If you have children's prints that you want to use, you are more than welcome to bring them but not necessary. This should be fun. Thanks Mary for all your wonderful donations. She also brought me some quilts that just need hand binding. She even has the thread. If you have any questions, feel free to contact me. Hope to see you in July.

Connie Richardson
Outreach chairperson.
