## FROM THE PRESIDENT'S DESK

Flag Day is June 17, when I was looking for an image I found this one. What you probably can't read because it is too small in the copy I added. It says... "The birthday of the Stars and Stripes, June 14, 1917. Tis the Star Spangled Banner. Oh, long may it wave. O'er the Land of the Free and the Home of the Brave!" This banner was in honor of the 140<sup>th</sup> birthday our flag. This year it will be 244 years old – WOW!!! Happy Father's Day, Tom!

**June's meeting will be at Rocky River Presbyterian Church on June Tuesday, June 8.** Look in the side bar for the church address. We will be meeting on Tuesday evening because Mondays are not available at the church. Our June program is on the Underground Railroad and how quilts were used. Our presenter, Janice Sutton, is a history teacher and embroiderer. She prepared this as a lesson for her class. She recommends reading *Hidden in Plain View: A Secret Story of Quilts and the Underground Railroad*. I'm currently reading it. It is very interesting and I'm normally not a non-fiction book reader. Don't forget to bring your Underground Railroad samplers for Show and Tell.

We are half way through the year. Time to start your charity quilt if you haven't yet. It is due in November and is a membership requirement. If you are new at sewing and need help, hopefully you can join us at our June workshop where we will be sewing for charity. We'll have members there to help you and will provide fabric and a pattern or two to choose from. See below for a list of supplies you will need to bring. It will be the Wednesday after our June meeting from 9-3 at Rocky River Presbyterian Church (June 9).

We are returning to our original meeting raffles, where you must purchase a ticket(s) to be entered into the raffle. We haven't raised any raffle money for 16 months. All our raffle items are from donations. If you want newer items, we need to raise some money to buy them 😊.

Our last clue for the mystery quilt is included with this newsletter. Don't forget to contact Carol Harris if you have any questions.

*Please continue reading for more updates on the guild and revised by-laws for your review. Looking forward to seeing your faces soon.*

*Sandra*

# Member Spotlight- Angie Graeber

***How long have you been a member of the Cabarrus Quilt Guild? Why did you join the CQG?***

I have been a member for about 3 years. I wanted to join with others of similar interest and gain experience and proficiency in the craft.

***How long have you been quilting? How did you start quilting? Were there other crafty people in your family that inspired you?***

Really quilting for about 8 years. I first began quilting in the late 70s/early80s when quilting began a resurgence in popularity after the bicentennial celebration, but because I was working full-time, running a household and raising a teenager, it had to be put on the back burner until retired in 2012. Upon my retirement, I took a refresher class and have been quilting every since. Unfortunately, there are no other quilters in my family, although my mother and I participated in various craft classes at Piece Goods Shop in Charlotte while we lived there. Mother made a baby quilt for my niece, but that's about it

***What is your favorite part of the quilting process? What is your least favorite part? What is your favorite technique?***

Piecing is my favorite part, although I enjoy the binding process as well, knowing that I'm coming down the home stretch! Quilting without a doubt is my least favorite part, so I guess I'm just a piecer, not a quilter. Patchwork is my favorite technique, although I hope to tackle hand applique some day. Page 2 of 15

***What's something about you (a fun fact) that not many people know?***

Whether it's considered a fun fact or not, one of my most treasured memories is serving as a docent at the Rameses the Great exhibit at the Mint Museum in Charlotte. It was a most wonderful and gratifying experience for both me and my husband, who won an award for the most volunteer hours!

***Do you have any other interests or hobbies in addition to quilting?***

I have always enjoyed gardening, but as I age, I find I have less energy and stamina for it. I am an avid reader, too

# Member Spotlight- Dolores Swartz

## ***Tell us about yourself in 1-2 sentences.***

I'm a 'Jersey Girl' transplanted to Hatteras Island NC in 2005. I moved to Huntersville to be close to my family after my husband passed.

## ***How long have you been a member of the Cabarrus Quilt Guild? Why did you join the CQG?***

Pat Ott introduced me to CQG in 2019. I was a former member of Courthouse Quilters in NJ and Cape Hatteras Quilters for many years.

I was drawn to CQG by the friendly people and especially all the outreach programs you support. Connie Richardson taught me how to make Bears!

## ***How long have you been quilting? How did you start quilting? Were there other crafty people in your family that inspired you?***

I began quilting when I turned 50! Totally self taught before YouTube.....Hundreds of quilts later, I still love choosing the fabrics, the more colorful the better. I do all my own style free motion quilting on my trusty 21 year old Phaff! I'm a retired teacher ... have taught nursery through high school, special needs, knitting, free motion quilting, owned my own plant business a long time ago. My mom made our clothes when we were young, my Nana did embroidery (I still have some pillowcases she made), two of my daughters do cross stitch, another daughter makes beautiful wreaths for her successful Etsy shop, and all my granddaughters did some sewing with me as youngsters.

## ***What is your favorite part of the quilting process? What is your least favorite part? What is your favorite technique?***

Charity work is the mainstay of my quilting now as my family have enough quilts to last 2 lifetimes, no new babies on the horizon and due to arthritis issues Crib size quilts are easiest for me to handle. Yeh to precuts!

## ***What's something about you (a fun fact) that not many people know?***

I was a choir singer/soloist in my youth and sang with various Sweet Adeline Barbershop Choruses... I loved performing!

## ***Do you have any other interests or hobbies in addition to quilting?***

Enjoyed traveling especially trips to Alaska, San Francisco, Canada, the National Parks out west... nature at its finest.

I'm also an avid knitter/ crocheter... recently began knitting sweaters for me. I donate hats, NICU blankets to Knots of Love and some local groups.

My life changed so very dramatically 2 1/2 years ago, it was quilting, knitting and friendship that sustained me.

## SUMMER MEETING INFORMATION

Your Board wanted to have in person meetings in a facility over the summer. This will allow us to meet indoors no matter the weather! Our picnic will not be rained out, we will not suffer from the heat or humidity, and you don't have to bring a chair.

Unfortunately, we could not meet at this location on Monday night (the fellowship hall has a prior standing commitment); however, we could meet on Tuesday nights. The fee for the use of this fellowship hall is the same we were paying at Forest Hills UMC.

Our Summer Guild meetings will be held on the second Tuesday of the month at Rocky River Presbyterian Church.

**7940 Rocky River Road,  
Concord, NC 28025**

This church is located on Rocky River Road at the stop light to Lower Rocky River Road. (A few years ago, we used this facility for the Ann Shaw workshop.)

The Fellowship hall is on the right side of the building as you face the church. There is plenty of parking. Please note the parking lot is gravel but there are no steps into the building. This facility has a full kitchen, wifi, projector, screen and microphone available for use.

Remember the night of our meeting has been changed from Monday to **TUESDAY**, same time

This change only affects the June, July and August meeting dates. We hope to hear back from Forest Hill UMC by mid summer with their opening dates, rules and fee structure.

The dates for the summer meetings are as follows:

**Tuesday, June 8** - 6:30 pm to 8:30 pm

Wednesday, June 9 - 9:00 am to 3:00 pm workshop for charity quilts

**Tuesday, July 13**, 6:30 pm to 8:30 pm

Wednesday, July 14 9:00 am to 3:00 pm workshop for quilts of valor

**Tuesday, August 10** from 6:15 to 8:30 pm

This will be our August Picnic, please plan to begin arriving by 6:15 with your covered dish to share so that we may begin eating at 6:30

We will continue to adhere to North Carolina Covid Restrictions regarding social distancing and masks. As these restrictions may change, please visit <https://www.nc.gov/covid-19/staying-ahead-curve> for the most up-to-date information. If you feel more comfortable wearing a mask, please do so.

There will be cutting mats, irons, and ironing boards to be shared.

### July Program and Workshop

## 2021 RAFFLE QUILT

Tickets for our 2021 raffle quilt, **Sea Swept Carolina**, are available and you will hear more about that soon. Please remember that each guild member is responsible for selling a packet. Please check the newsletter for future dates.

## GUILD GARAGE SALE

If you have a sewing related item that you would like to sell, please send the request to [cabarrus.quilters@gmail.com](mailto:cabarrus.quilters@gmail.com). Terri Patterson will be coming to my house on Friday to take pictures and you will be able to see them online. There are another 15 quilts ready for Hospice and 10 more ready for binding. These will be posted also. Hope to see you at the June meeting.

Connie and Tom Richardson.

## 2021 MYSTERY QUILT

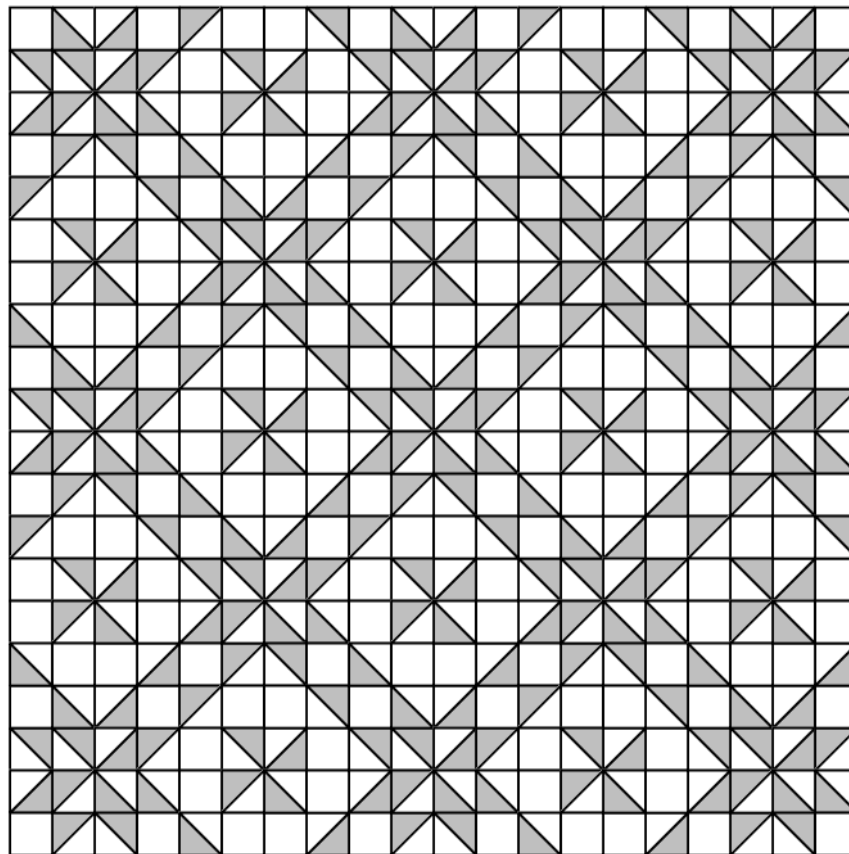

Below is the final clue for the Mystery Quilt. The layout is for the smaller version. The larger version simply add more rows to the side & bottom. Borders are optional. You have until the August picnic to finish your quilt. Your quilt must be quilted with 3 layers & binding finished to be considered for the contest. Judging will be Viewers Choice by the guild members attending the picnic.

Good luck! I'm anxious to see your beautiful creations.

Carol Harris

### Piecemakers' Guild Mystery Quilt Clue #6

Using the blocks assembled in Clues 3 and 5, layout the blocks to create the following quilt top:

Design your own borders for this quilt. Plain borders are fine, pieced borders can carry the pattern into the edges of your quilt. Quilts can also be finished without borders with just the binding finishing off the edges of the finished quilt top.

If you have used scraps or fat eighths for this quilt, it is a wonderful opportunity to see how borders can change the color of a quilt . . . On a design wall try using different colors that you have used in the quilt for borders and see how you can change the color the quilt reads.
