## FROM THE PRESIDENT'S DESK

Hello Quilty Friends,

We had a great turn out at our last meeting. Such a great turnout that parking was an issue. Kathy Coble wanted me to let you know that you can park on the grass, and along the church, and there is also parking on the other side of the church.

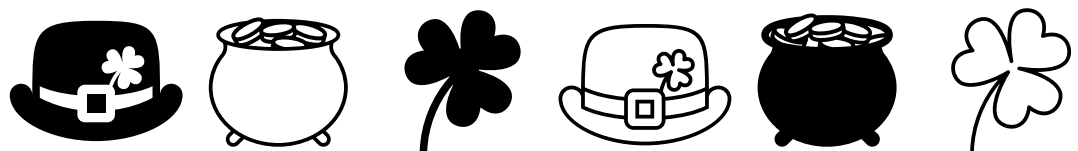

We also had some of our members that were at a retreat attend via Zoom. We are still working the kinks out, but we are going to start having our meeting in person and via Zoom. This way our members that cannot attend in person for whatever reason will still be able to join in. I will be sending out the Zoom link a few days before the next meeting.

This month our Vice President, JoAnn Hahn will be talking about T-shirt Quilts and the workshop will be making a t-shirt quilt, wall hanging, or pillow. If you have a t-shirt quilt, bring it in for show and tell. I will bring the two wall hangings I made for my husband.

Oh yeah, and Happy National Quilting Day (March 19<sup>th</sup>) and Month!

Quilty Love,

Jackie Sabo

## COMMUNITY OUTREACH PROGRAM

GOOD NEWS! Tom's machine is up and running thanks to Ken and John from K and J Sewing and More in Rockwell. They figured out that we needed a new wiring harness, ordered the part and came to our house to install it. Tom is busy finishing up the tops donated last year and has started on Melba's donations for this year. What a great feeling to be back in business. We are so grateful to Ken and John.

The workshop was a great success. Five new people learned to make bears from beginning to end. Three people worked on sewing bears and the rest cut out arms and legs and bear patterns. At this time we have 12 completed bears, 22 ready for stuffing and several kits ready to be sewn. I can bring kits to the next meeting, or deliver to the Wesleyan Church in Kannapolis on Tuesday. I also have arms and legs if you want to use your own materials. I will have a stuffing and closing party later in March. If you want to stuff at home, I can give you stuffing. I had a large donation from the Dogwood Group in Denton. I will let you know when I have made the arrangements for the group stuffing party.

A reminder: Carol Harris will be keeping track of your completed quilt. Be sure you tell her where your quilt is to go when you turn it in. Remember it is to go to one of the three choices voted on at the January meeting (CVAN, CCM, or Cabarrus County Foster Program.) The ones you want Tom to quilts should be marked with your preference. If it is not, we will decide where the present need may be.

Happy quilting and bear making.

Connie Richardson, Outreach chairperson
